Top 10 Influential Features

1. PageValues
2. ProductRelated_Duration
3. ProductRelated
4. ExitRates
5. BounceRates
6. Administrative_Duration
7. Administrative
8. Informational_Duration
9. TrafficType
10. VisitorType

Business Interpretation

Customers with higher PageValues and longer product-related browsing sessions are more likely to purchase. Lower bounce and exit rates indicate stronger engagement.

Recommended Actions

- Personalize recommendations
- Send cart reminders
- Offer targeted discounts
- Improve product pages
- Focus remarketing on high-intent customers
